Viticulture

Rocky soil with limestone, 700m above sea level.
Mediterranean climate with long, warm summers and mild winters.

Winemaking

The wine has spent 7 months in American (80%) and French (20%) oak barrels. It has then been aged 6 months in the bottle.

Tasting notes

Intense cherry red color. Cinnamon and cloves from the oak aging dominate the background of the fruit and toast flavors. The palate is fresh, slightly complex and elegant, with a large finish.

Goes very well with white and red meat, barbecue, strong cheese, fish and smoked food. Can be stored for some time. Serve at 18-20°C.
